“We Doubled Traffic and Sales”

32,000 New Likes \$5k/mo New Sales 90 Days

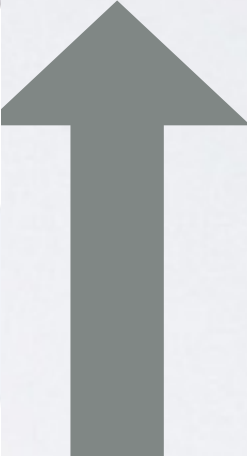

Bennett Coffey

“★★★★★” For a long time I was frustrated with the slow growth rate of my page. After 1.5 years we had less than 800 likes. I felt like we should have a huge online network and business but that wasn't being leveraged and we weren't making hardly any sales or not nearly what we could be doing. Once we found Bret's course, we generate almost 25,000 likes in just TWO months. (www.fb.com/Notyoursugarmamas) Our web traffic went from 850 visits per month to 2,700 visits per month in that same time period and our online sales have more than DOUBLED! Gaining all the new traffic to our website and sales for our business from our facebook page. Thanks Bret! I'd recommend your course Attract Customers Now from Facebook to any entrepreneur looking to take their facebook marketing to the next level.

“★★★★★” Before working with Bret Gregory I had Facebook fan shame. I saw others in my field with WAY more fans, giving them WAY more credibility that I knew I deserved as well. I didn't know how to build an audience and my fan page had plateaued at 4300 fans. I knew I had to take action because I was also shopping a book proposal and publishers give an advance based on the size of your following. As a business owner I'm always looking for new clients and customers. I heard you can build your following through Facebook ads, but I didn't know how to use them. In just TWO months we have gotten over 13,000 NEW REAL Facebook likes to my page www.facebook.com/ginadevee. There are TONS of Facebook experts out there, however, I know none that have the level of expertise combined with the level of care that I've experienced in working with Bret. I'm so grateful that I didn't have to master Facebook ads, tracking systems and how to get the most cost effective ads, that why I brought Bret on to the team! Thank you, Bret!
